Police Station Groundbreaking

STORY AND PHOTOS by VIRGINIA MORGAN

The big step was taken Thursday, July 7th, at 12 noon when Town Officials and Police Department personnel joined the architects and builders at the ground breaking ceremonies for the new $1.4 million police station at Route 6 and Church Street. Complete with hard hats and shovels, each turned over a spadeful of dirt.

The contractor Wrencon, Inc. of Wareham was represented by Robert Besse, president; David Kelley, vice-president, and Thomas McHugh, superintendent.

"After several years in the progress,

from the architect's plans, through town meetings and special elections to the ground breaking for construction the dream has come true," said Lt. James A. Santos. He thanked Police Chief James F. Moran for all the hours he has put into the project and to the Selectmen for their cooperation.

Opening the ceremonies was Selectmen Chairman William F. Hubbard who thanked Police Chief Moran, Lt. Santos and all members of the Police Department who did so much to make this police station a reality. "After 15 years of talking about a new police station, we have the voters to thank for making this a possibility and to give the department much needed room to carry on their fine work." He also gave thanks to Executive Secretary Carol Adams who did all the "leg work".

Selectman Bernard F. Talty thanked all who did their homework. "When all work is done, projects can get accepted by voters. The department protects the quality of life and we badly need them to do the job."

Selectman John N. DeCosta noted his 12 years on the Board and the years of planning that has gone into the station. He thanked all whose efforts were put into getting the project started and following it through to this day.

Police Chief Moran gave thanks to the Selectmen for their help over the on-going project. The Board saw the need and followed through for us. "With Brown

and Lindquist architects and Wrencon builders, we will have the best police station in Massachusetts." He thanked his wife, Annette, who also attended, for putting up with all the extra hours working on the project.

Peter Brown and Philip Lindquist of the architectural firm attended. Mr. Brown said this is a great day for Mattapoisett - residents have made a commitment to the town and Selectmen have improved their town.

Also attending were Town Clerk Lois Ennis, Police Safety Officer R. Stanley Ennis and Fire Chief Donald C. Wood.

The Rev. Barry W. Wall of St. Anthony's Church gave the blessing, quoting Psalm 126, "If the Lord does not build the house, in vain do its builders labor. If the Lord does not watch over the city, in vain does the watchman keep vigil."

2.04 Million Housing Grant

MATTAPOISETT SELECTMEN'S MEETING
JUNE 28, 1988-by VIRGINIA MORGAN

"Good news" were the words Selectmen Chairman William F. Hubbard used to announce the $2.04 million Housing Grant awarded to the Mattapoisett Housing Authority for 12 scattered family units and 18 elderly congregate units.

Housing Authority Executive Director June Mendell met with Selectmen on Tuesday, June 28th, to inform the Board of the grant from the state Economic Office of Communities and Development (EOCD) as part of an overall program of $70 million state-bonded funds for new developments.

for the elderly here now if it wasn't for Ms. Mendell's perseverance.

"The fact there was a cloud over our heads and the application for the grant wasn't all clear sailing made it even important to thank the director for her efforts," said Mr. Hubbard. (Chairman Hubbard was referring to the lack of support from the Board of Assessors in filing the state applications for the "cloud over our heads".)

Ms. Mendell said the Authority has hired a consultant with funds from a $7,500 state grant to begin the planning of the affordable housing units. Mr. Roger Thompson, a member of the Growth Management Study Committee, was appointed to inventory buildable land in town.

In other business, Selectmen:

MET WITH Peter Kortright of the Growth Management Study Committee and Martha Peterson, Open Space Chairman of the Study Committee, to discuss their progress and to plan an open space recreation survey.

Mrs. Peterson reported a $4,500 grant from the Plymouth County Conservation Commission and donation of $1,700 from the Mattapoisett Land Trust will help toward a $6,200 bid from SRPEDD to prepare the survey.

An additional $300. is needed, she said, to cover costs of printing and mailing the surveys to all town households.

Mr. Kortright expressed disappointment on the loss in the recent Special Election override of the request for $20,000 for a Town Planner. He commented, "We were probably too complacent in not doing more educational work with the voters. Our need for a town planner is not going to go away what with all the subdividing and the Brandt Island property- we need help." Mr. Kortright added, "Even though the voters turned it down, perhaps the state would grant our request for funds, conditionally. With luck we can work with the Finance Committee and your Board to plan an article on the warrant again. I intend to check with the Finance Committee to determine if we may soon have funds without an override."

Chairman Hubbard and the other members said, "You have our support 100 percent. We will even go out and 'bang the drums' for you."

On the subject of the Nunes property, Mr. Kortright said "our committee has some expertise and perspectives on the evaluation progress for the

Chairman Hubbard noted they are going to prod the developer, Mr. Joseph Keller, to hold some public meetings soon.

SIGNED THE $1.4 MILLION contract with Wrencon, Inc. of Wareham to begin construction of the police station on Church Street and Route 6. Town Treasurer Kathleen Briggs was authorized to proceed with the borrowing process to fund the construction.

Chairman Hubbard said construction will begin very soon. As an individual and not in any way connected with his position as Selectman, Mr. Hubbard will serve as Clerk of the Works during construction. Mr. Hubbard has the knowledge to supervise the construction. He will receive no compensation for the work.

fore the ban was placed on parking for those with no town sticker. I know that out-of-town residents cannot park on the wharf but some are using my restaurant parking lot and they are not patrons." He added he understood the rules are needed to control the trailer parking;"but, if there is anything you can do to help me out I would appreciate it." The town allowed a wedding to take place at the Gazebo but members of the wedding party had no place to park, he noted.

Chairman Hubbard said, "I'm in sympathy but you have to realize you will have to make concessions and that we have to be fair to town residents who can't find room to park on the wharf."

Mr. Goddu explained that between the state and town taxes and licensing fees, "I pay about a million dollars. My business provides over $150,000 in wages to Mattapoisett residents. The Selectmen 10 years ago gave me permission to use spaces for the restaurant, and in those 10 years of cultivating customers, you can't blame them for getting 'ticked

In conclusion, Selectmen voted to allow Mr. Goddu to use one-half of the total middle spaces (if needed) between the hours of 5 p.m. and 1 a.m. this holiday weekend. Selectman DeCosta expressed his opinion that all center spaces should be open to all parking. He felt the business owner should retain his spaces. Mr. Hubbard and Mr. Talty agreed on half the center spaces. It was noted the parking ban will be lifted for special functions on the wharf.

MET WITH Mr. Courtland McDonald of Marion who earlier by letter expressed an interest in constructing affordable housing in Mattapoisett.

Mr. McDonald said he has spoken with a couple of landowners in town on possible sites. Several areas mentioned included the Mahoney land on the south side of Route 6 next door to where the new police station will be built; north of Route 6 behind the Industrial Park; behind the Old Rochester Regional High School on Mattapoisett/Marion line.

Board members noted most of the land near the high school is low land. The Mahoney land is not as large as Mr. McDonald thought, as some of the land is now the town's for access to the police station.

Selectman Talty, who is the Board's representative to the Housing Partnership Committee, asked if Mr. McDonald had done a HOP Program project (Housing Opportunity Partnership Program). He noted that under the HOP program a lot of money would be needed and a lot of time involved with paper work making it difficult for a small

"I live in Rochester and work in Woods Hole. In addition to using my boat for pleasure, I also use it for occasional commuting to work and the collection of marine specimens. Launching the boat alone and leaving it unattended while parking my truck behind Town Hall and reversing the process at the end of the day is difficult. able, but some form of relief from the new rules are requested."

Chairman Hubbard commented Mr. Cutler will have to find a place to park and "we can't make exceptions".

RECEIVED A LETTER from Mr. Charles A. Morgan, 38 Main Street expressing his concerns regarding the last town meeting and special election and the lack of participation of voters. He suggested that perhaps the town can no longer govern itself through the open town meeting.

Chairman Hubbard said he understands how Mr. Morgan feels but felt the town would object to any change in its way of government.

Computer Service for Assessors

MATTAPOISETT SELECTMEN'S MEETING
JULY 5, 1988-by VIRGINIA MORGAN

Selectmen met with the Board of Assessors last week to discuss obtaining data processing service from M.M.C. Inc. of Chelmsford. The boards jointly approved a one-year trial basis.

The company's representative explained the one-time charge of $4,900 for services will include having the assessors' office fill out cards with information, then send it to the computer company to put into the system. Essentially, the town would be renting the equipment with the service. The other added charge would be approximately $100 per month for telephone service.

The representative explained there are two methods - the telephone line or direct line from the assessors' office to the data company costing about $225. per month.

Selectman Bernard F. Talty asked Assessor Chairman John Gibbons if the service will

save money and will it allow the office to be open more hours? The representative responded saying "The computer will not save time nor will it replace a person, but it will professionalize the office. This service will not handle the billing for tax bills - this will continue to be done by this company at extra cost."

Assessor Jack Silva asked what will happen at the end of the year. The agent said the town can either buy the equipment or put in a direct line to the company.

On another matter, Selectmen Chairman William F. Hubbard asked what the Board of Assessors is doing about opening the office five days a week. He noted that at the present time the assessors' office is closed Wednesdays and Fridays.

Chairman Hubbard said he felt with the Town Hall open five days a week the Assessors' office should also be open during that time. "I don't want to force the issue but hope you will cooperate", he told board members Chairman Gibbons, Jack Silva and Robert Gingras.

The two boards agreed to open the office all week on a trial basis. "Try it and see what happens", Chairman Hubbard said.

Chairman Gibbons explained they have problems in the office. "We haven't ironed them out. We had three girls at one time - now we have two, soon we may have only one. I'm agreeing with you, but the girls have to work on transferring deeds and other paper work and have a problem when people keep coming into the office with questions."

RECEIVED A LETTER from Patricia Hildebrandt, 5 Oaklawn Avenue thanking Highway Surveyor Wesley N. Bowman for the prompt action in taking care of the deep ruts and protruding boulders on Oaklawn Avenue when she arrived for the summer.

On the morning of June 27, Ms. Hildebrandt called the Highway Surveyor; within the hour Mr. Bowman and his associates were there inspecting the road. By 1 p.m. men and equipment arrived and by 3 p.m. the problems had been corrected. "I am overwhelmed by such service and do not want the efficiency and courtesy of Mattapoisett's Highway Surveyor and his team to go unnoticed," she wrote.

RECEIVED A COPY OF A LETTER sent to the Pleasant Street Development Corporation enclosing letters of concern regarding the proposed project, "The Beacon at Mattapoisett", off Park Strect. Harvey J. Blanchette, Chairman of the Mattapoisett Housing Partnership, wrote to Mr. Paul E. Cusson, president of the development company, "that these concerns are not prioritized nor are they to be considered as our final list in total". The company has to respond to these concerns.

RECEIVED A LEGAL OPINION from Town Counsel Donald J. Fleming that Selectmen Chairman William F. Hubbard will not be in conflict of interest if he serves as Clerk of the Works for the construction of the police station.

Chairman Hubbard has agreed to serve without compensation. He will, in fact, be the Town's representative and will be acting as the Town's representative and not as the architect's representative. "I see no reason why these additional duties are inconsistent with your duties as a Selectman". Also, Chairman Hubbard will have no financial interest in the construction contract.

Chairman Hubbard has had considerable experience in serving as the Clerk of the Works at other construction sites. They include St. Anthony's Church in Mattapoisett, Old Colony Vocational-Technical High School in Rochester and Falmouth Hospital, Falmouth, and others.

ceive the Boston Post Gold Cane. I can remember when the cane was first presented in 1909."

Selectman Talty read a brief history of the origin of the Post Cane and gave the names of past Mattapoisett residents who held the cane and whose names were inscribed on the gold head of the cane. When presenting the cane, Selectman Talty said to Mrs. Chase, "This is one of the many milestones in your life - you are now 'Keeper of the Cane'".

Mrs. Chase was born in Unity, New Hampshire; her late husband, William Chase, was born in Newport, New Hampshire. They moved to this area and lived first in Fairhaven before moving permanently to Mattapoisett in 1944. "I remember the year because it was just before the 1944 hurricane," Mrs. Chase said.

"I love Mattapoisett and have never been sorry we came here to make our home and raise our family." The family comprised three sons, Richard, Donald and Russell (Russell is deceased), 11 grandchildren and 14 great-grandchildren. Admitting to being proud of being a housewife and homemaker, Mrs. Chase proudly displayed photos of all her family in the sunny living room.

could be seen in the distance. A closer scene for Mrs. Chase outside the picture window is a bird bath and bird feeder where she can watch a family of finches.

To what she attributes her 97 years, Mrs. Chase said she felt it was a 'quirk of fate'. "I eat a regular diet - anything I want." Her son, Richard, commented later that several members of his mother's family lived to a very old age. Richard's wife, Jane, said Mrs. Chase is a great cook and up until 1975 when her husband died she baked her own bread.

During the conversation with this reporter, Mrs. Chase admitted to being the anonymous writer of a poem printed in the Marion Center Tri-Town Newsletter for Seniors in 1983. At that time this reporter was editor of that paper and never knew who the poet was. After five years, the secret is out, Mrs. Chase said jokingly. Jane Chase said her mother-in-law often writes poetry for her children and grandchildren on special occasions.

Mrs. Chase said she likes to know what's going on in town and listens faithfully to the radio and especially likes to read the Selectmen's news in the Presto Press.

The previous holders of the Mattapoisett cane were: the first, Seth Hiller in 1911; Bruce F. Shaw, the second; Henry J. Purrington, third; John A. Shaw, fourth. There were many others in the following years. The most recent was Ethel DeTerra, a resident of the Mattapoisett Nursing Home.

The origin of the Boston Post Cane began on August 2, 1909 when after one of the newspaper officials had

LONGEVITY

Born in New Hampshire's granite hills,
I now dwell by the sea
And here my bones shall rest in peace
For all eternity.
Through some circumstance of fate
The Reaper has passed me by
And left me as a forgotten grape
Upon the vine to die.
Buffeted by winds of time,
Pelted by the rain,
Frozen in the winter snows-
Still clinging, I remain.
For nearly a century
Life has claimed its toll
Yet it has not worn away
That New Hampshire granite in my soul.

visement and referred to the D.P.W. for a decision on July 11. Executive Secretary Ray Pickles will investigate the reason for the price discrepancy on previously quoted proposals.

The bid of J.J. Hudson for the required cut-back asphalt was accepted and voted.

The bid for the construction of the 80 foot communication tower for the Police, Fire, D.P.W., EMTs and all other Town radio communications' systems was voted for Beacon Tower Services, Inc., subject to the approval of the Fire Engineers and the Capital Assessment Committee. Joe Cunning, Chairman of the C.A.C., will contact Beacon Tower Services for a time frame on construction. The tower must be completed before the present antennae can be removed from the roof of the Fire/Police Station to permit rebuilding of the weakened roof of the building.

The hearing with James Neall re: the Silvershell Boat Ramp was rescheduled to July 12th.

Many residents of Hill Street, Oak Street and Green Street appeared for the hearing re: improvements to their streets in view of rapid development of the area. It was pointed out that there are many problems to be solved before any construction can be considered. Ray Pickles stated that that land had been taken by the Town for taxes owned in the 1950s. The entire layout of the streets is in question and should be surveyed. Telephone poles are not in the correct position. Bankings on some lots would prevent a 20 foot right of way. Mr. DeBarros and Mr. DeMiranda, owners of the lots in question, were present at the meeting and offered to sign a written statement giving permission for the D.P.W. to cut the banks and start grading. Because cooperation from Mr. Bevilacqua and Mr. Iaciofano, two major landowners in the area under discussion, could greatly facilitate matters, Mr. DeBarros and Mr. DeMiranda volunteered to contact these two gentlemen and try to come back to the Selectmen with a workable plan.

Rob Zora, D.P.W. Superintendent, agreed to help in any way. Selectmen were in support of the efforts of the residents of the area and suggested that the formulation of an Area Association could be a great help in developing a plan of action with the input of all homeowners and future land developers. The group will report back to the Selectmen on their progress.

Michael and Karen Licciardi of the Recreation Commission appeared before the Selectmen to request new storage facilities for sports equipment. There is a major leak in the basement of the Town House right over the present storage area and the equipment must be moved immediately. Ray Pickles reminded the Commissioners that much of the equipment is junk and suggested that it be sorted out at the time of the move and would require much less storage space than it presently occupies. Mr. Pickles was instructed to investigate possible space for this purpose.

A request to spray for the eradication of poison ivy in the area to the side of the Silvershell parking area was denied because the spray used would be harmful to the beach, saltmarsh and any streams in the area. Signs will be posted warning of the danger. As the Parking Officer,

Selectman John Hoagland requested that parking restrictions be clearly posted so parking tickets could be successfully prosecuted. Karen Licciardi learned that there were no plans for a Town Party this year and asked permission for the Recreation Commission to plan a Block Party as a replacement. It was agreed that the weekend before the Labor Day weekend would be the best timing. Selectman Hoagland asked Abel Rodrigues if he would be willing to pay for the one-day insurance for the Block Party as he had for the St. Anthony's Festival. Mr. Rodrigues will donate $50. Mr. Hoagland will match it.

In other business, Selectmen appointed Matthew Craver to the Emergency Medical Technician Department.

The application of Edwin Jones to provide a floating Raw Bar in Sippican Harbor for boatmen was approved.

The Bill of Sale for the Harbormaster's boat has been signed by Mattapoisett. There was a deposit of $500. The balance will be paid $1000. per month for 9 months.

A purchase order was signed with Hygernetics, a licensed asbestos removal firm. Although the D.P.W. was willing to undertake the job, the State mandates that any asbestos removal must be done by a company licensed to do that work. This job will complete the asbestos removal in all town buildings.

Because of unacceptable readings on pollution levels in the Aucoot Cove area Selectman Pratt will ask the Coastal Zone Management office (C.Z.M.) to conduct a sanitary survey of the entire Aucoot Cove shore with the cooperation of Mattapoisett to locate all tributaries and out-falls and

From Representative Steven Pierce and Representative John Bradford a report that significant state aid to the town may be cut off if a proposal now before the legislature to divert lottery money to relieve the state deficit is approved. Marion's share was $13,618.

From Richmond Viall III of Cross Neck Road a request for abatement of his real estate taxes in view of the fact that he has personally paid for the maintenance of the roadway for many years. The Selectmen will reply to Mr. Viall and explain that they have no authority in the Assessors' department. The Assessors would be the proper ones to explain the large increase in the real

QUILT PROJECT COMPLETED

The busy fingers of the Mattapoisett Woman's Club Quilting Group have finished another beautiful creation. The quilt, in shades of green, cream, and rose, accented with lace, is of the traditional Grandmother's Fan pattern. The hand-stitched quilt will be on display at the Mattapoisett Woman's Club's Harbor Days' booth, July 16 and 17. A small donation to the club's Scholarship Fund will give you a chance to own this quilt. Be sure to stop by the booth and see it during Harbor Days.

Artistic Aprons Arrive

The Mattapoisett Woman's Club is pleased to announce the arrival of its new scholarship fund-raising project. Now available for purchase are distinctive aprons, in Skipper Blue, featuring an original drawing of historic Ned's Point Lighthouse, in white. The drawing, by Mattapoisett artist and club member Beatrice Johnson, shows a wind surfer racing by the lighthouse, while kites fly merrily above. It is especially appropriate that Ned's Point Lighthouse be featured, as it has recently been named to the National Register of Historic Landmarks. Purchasers will be pleased to find a short history of the lighthouse tucked into the pocket.

Identifying Town Land Needs

COMMITTEE REPORT

Since Mattapoisett holds first right of refusal on the Manuel Nunes property on Brandt Island, and since the Town Fathers probably have more negotiating cards than is popularly thought, it makes sense to identify and evaluate townwide needs for land.

With a growing town which could easily double its population, especially in light of the high-density projects recently proposed, we should seriously consider how much each of us now enjoys the following:

- Our relatively uncrowded beaches
- Picnic and recreation facilities at Shipyard Park and the lighthouse
- Availability of wild areas to observe nature
- Some woods and fields to see during our daily lives

It is also important to recognize and quantify the liabilities associ-

ated with large decisions under consideration such as approval or even complaisance about a large development. Some of these are potentially very expensive.

- Re-prioritize sewer installation from much needed existing areas and buy or build new capacity to make up.
- Find land and build additional affordable housing, beyond our current deficit, to offset for what will most likely be totally unaffordable housing.
- Provide a new fire house, additional cruisers and maybe a school or new wing on an existing school.

Although some of this seems extreme, even if there is a possibility of incurring any or all of these costs, we should pay close attention. And if you consider the probable development of adjacent properties enabled by installation of public water and sewers, then these kinds of liabilities become highly probable instead of just possible.

From a perspective of fairness and practicality, we need to consider what is possible. Purchase of the land by the town is probably not achievable; however, the purchase-and-sale agreement is contingent on the developer obtaining a transferable commitment to 80 thousand gallons of sewage treatment capacity and large quantity of public water. So they need something and we need something.

Remembering that you seldom get something you don't ask for, we should

consider asking for the following:

- A new public beach with access and parking
- Some land set aside for construction of affordable housing
- Mattapoisett residents-privilege for use of the proposed golf course
- Granting of perpetual conservation status for the golf course to guard against later conversion under comprehensive permit or other legal provisions into high density condominium.
- Provide a "wild" buffer between the existing roads and new development, whether golf course or residences.

Remembering that as citizens and voters we have considerable power, we must each think carefully about these issues and tell our Selectmen what we want.

Marion Conservation Commission

At the Marion Commission's meeting on Wednesday, July 6th, hearings were closed for Stephen Giglis of Planting Island (reconstructed pier and gazebo); Grey Woods, Inc. of Converse Road (road and subdivision on Merrow Farm); Donald Torres of Dexter Road (500 foot walkway over marshland); and Amaroq Development (subdivision and road off North Front Street). Orders of conditions will be issued within 20 days.

A request for a determination filed by Indian Cove Trust for cutting and pathway was continued, pending a site visit.

A certificate of compliance was issued to Frank Utano.

The Commission's next meeting, scheduled for Wednesday, July 13, at 7 p.m., includes continued hearings for Raymond Audette (7 pm), Sherman Briggs (7:30), Marion Center for

Baroque Pops Concert

The Marion Art Center will present the ensemble Baroque 'n' Bubbly--featuring two Marion Art Center music faculty members--in a Baroque Pops Concert Saturday, July 23, at 8 p.m.

The program, called "A Visit to Venice", will be a selection of delightful music from the Italian Baroque. Audience members will be able to imagine themselves overlooking the Grand Canal enjoying beverages and desserts as they listen to pieces by Vivaldi, Frescobaldi, Boni, Marcello and other great masters of the 17th and 18th centuries.

Members of the group are Benjamin Dunham, recorders, Wendy Rolfe, Baroque flute, Gregory Hayes, harpsichord, and Alice Robbins, Baroque cello. They have given two well received concerts in the area in the past two summers.

Tickets for the concert, $8. for members of the Marion Art Center, $10. for non-members, include complimentary refreshments. For information or reservations call the Marion Art Center at 748-1266.

past year. The wide range of artists who have submitted their one-of-a-kind garments, jewelry and accessories happened almost spontaneously due to a networking system of friends and professionals in similar fields.

In addition to the exhibition and sale, there will be a Fashion Show on Wednesday, July 13th, at 3:30 at the Bicentennial Park in Marion under a marquee with high tea following the show at the Center. Coordinator for this event is Barbara Gee of Fashion Marketing, Inc. of Boston. Local talent will model ensembles and accessories from the "Wearable Art" show. Tickets are $12. for members and $15. for non-members. Reservations are limited; call 748-1266.

The galleries of the Marion Art Center are open to the public Tuesday through Friday, 1 to 5 p.m., and Saturdays, 10 a.m. to 2 p.m.

The Studio Gift Show, a consignment craft shop at the Center, is also open during regular hours in the summer.

SUMMER MEALS ON WHEELS

The Meals on Wheels program finished out the school year on June 23 at the Sippican School Cafeteria. The Council on Aging wants to publicly thank the entire staff for their pleasant co-operation and help in providing meals, not only for the shut-ins, but for those seniors able to visit the cafeteria.

Throughout the month of July, the Meals on Wheels will be prepared by the Tabor Academy cafeteria at a cost of $1.00 a meal. The Council on Aging is able to pick up the additional charge per person because of generous donations from organizations and townspeople.

The Mattapoisett Nutrition Site will be available as a meal site for Marion's senior citizens throughout the summer. Call Mary Ann Shufelt at the Marion Council on Aging office 48 hours in advance to make reservations. The C.O.A. office is open Monday through Thursday from 9 a.m. until noon.

During the month of August and until school reopens in the fall, the Meals on Wheels will come from the Mattapoisett Nutrition Site at the cost of $1.00 per meal.

Marion Coterie

"THE MIDDLE EAST - REVISITED"

The Marion Coterie will meet on Tuesday, July 19th at the Library of St. Gabriel's Episcopal Church in Marion at 7 p.m.

The program will be "The Middle East - Revisited". The Rev. Ernest W. Cockrell and his wife Jill spent approximately four months in the Middle East (three months in Israel) on a "study sabbatical". He has made many first-hand observations (he has indicated that he learned more about the Middle East in this short period than he had expected to learn in a lifetime). His presentation will be an excellent follow-up to our first two Coterie presentations which were on the Middle East. He will focus on the current political and religious crisis in that area. Some "visuals" will be included. An open discussion will follow. Mr. Cockrell is the Rector of Saint Gabriel's Episcopal Church in Marion.

Habitat for Humanity

Janet Wallace, pastor of the Long Plain United Methodist Church, and her husband, Vern, manager of Brewer Engineering Labs, a division of Teledyne, Inc., in Marion, are participating in Habitat for Humanity's 1988 House-Raising Walk. The Walk began in Portland, Maine on June 26; it will end in Atlanta on September 17 after building 120 houses and raising more than $1.2 million.

Habitat for Humanity is a Christian ministry that builds houses in partnership with poor people, who, after agreeing to help in the building of it, are then able to buy a home at cost with an interest-free loan -- thus enabling people, who could otherwise not afford it, to have decent housing. This ministry also provides an opportunity for those who have, to share their time and resources with those who have not.

Janet will be walking 120 miles, and Vern will be working for six

The Eliot Macomber Award is presented to the outstanding Senior female athlete. Receiving the Award was Tricia Bradley of Marion. She was Co-Captain and an All-Star in the three sports she participated in. Tricia was in Volleyball, Basketball and Girls' Track. She was also the State Champ in the Javelin and is the daughter of Carol Bradley of Marion and Charles Bradley of Marion.

The Kenneth Monteiro Memorial Award is presented to the Senior boy who best represents what Track and Field is about. Two young men who were involved with Track for four years, were Co-Captains for two years, and are members and teachers in the Mattapoisett Track Club were given this honor. They are Edwin Fernandes, son of Edwin and Evelyn Fernandes of Mattapoisett, and Timothy Rodrigues, son of Joao and Patricia Rodrigues of Mattapoisett.

The Diane Haskell Memorial Award is presented to the graduating Senior Track Girl who best represents the award. Margaret Flynn received the award. She was a team Co-Captain and an All-Star athlete in Track and Field. She is the daughter of Joseph and Claire Flynn of Mattapoisett.

Flynn ORR Track MVP

Margaret Flynn was selected this year's Most Valuable Player for Girls' Track at Old Rochester. Margaret has been an All-Star selection for three years in the South Coast Conference and was also selected to the Standard-Times All-Star team.

Margaret was the area's best in sprinting and in long jumping. She competed in four events in Track and Field. Margaret was in the Long Jump, Triple Jump, 100-yard dash, and ran the anchor position on the All-Star 4 x 100 Relay team.

Margaret holds records in her league and at Invitational Meets. While attending the Glenn D. Loucks Memorial Games in New York, where athletes competed in the Eastern USA and Canada Meet, she came in third in the Long Jump and brought home a Bronze Medal.

Board of Appeals Decisions

by VIRGINIA MORGAN

Two Special Permits and one Variance were approved by the Zoning Board of Appeals, Mattapoisett on June 16th.

The petition of Giles H. and Gail W. Dunn, 84 Angelica Avenue was granted for a Variance from the applicable frontage requirements for the property owned by the petitioners at Beach Road in the Waterfront 30 district. The property is a rectangular-shaped lot containing approximately 7.17 acres. The major portion of the lot contains the easterly portion of a fresh water pond, called Fresh Pond. The easterly portion of Fresh Pond is located on other land owned by the petitioners. The lot borders 170.52 feet on Fresh Pond Cove to the south, and has, as its only frontage, 30 feet on Beach Road, which ends at the west bound of the lot.

The current requirements applicable to waterfront district for a buildable lot are for 30,000 square feet and frontage of 125 feet. The frontage falls short of the 125 feet but due to the unique soil conditions, shape and topography of the lot, and because of erosion, Beach Road and the southerly portion of the proposed lot have become sandy

beach. A major portion of the remainder of the lot is pond and wetland.

The lot division proposes two lots, one buildable, with the remaining land being made a part of other land adjacent owned by the petitioners. Because Beach Road is now sandy beach and not practical for the access to the proposed buildable lot, landowners to the west have agreed to extend and grant a right-of-way over their upland to the lot. No one in opposition appeared at the public hearing and neighboring landowners appeared in support.

The application of Joseph and Hermina C. Souza, 56 Fairhaven Road for a Special Permit for construction of a garage for the business use of custom motor vehicle lettering and pinstriping on property owned by the applicants at 54 Fairhaven Road was granted.

In the General Business District, the applicants made a clear and detailed presentation for the proposed construction of a 36 foot by 53 foot garage to be set back 162 feet from Route 6, 41 feet from the east sideline, 86 feet from the west sideline and 152 feet from the rear line. The building will be a wood frame building with a beige aluminum skin. The only sign on the premises will be one 14 inches by 48 inches.

The business, custom motor vehicle lettering and pinstriping, will be conducted by Karen Souza, wife of Robert Souza and daughter-in-law of the applicants, under the name and style of Cranberry Signcraft. Karen has 13 years of experience in the

business. Karen and one employee will do the lettering and pinstriping on motor vehicles parked inside the garage. No materials will be stored outside the building.

The oil tankers used in Robert's business on the south side will be removed from the lot. The major focus of opposition to the Special Permit presented at the public hearing was on the presence and movement of the oil tankers on and off the property. The oil tankers will be removed to the benefit of the neighboring residences. Several conditions and safeguards were placed on operation of the business.

The second Special Permit was granted to Nancy Kimon, 102 Angelica Avenue for alterations to an existing non-conforming structure, a single family dwelling and attached garage on the property of the owner at 102 Angelica Avenue in the Waterfront 30 District.

The applicant plans to enlarge and insulate an existing bedroom and bathroom on the north side of the house. No one appeared in opposition. The alteration will not be more detrimental than the existing non-conforming structure and the character of the Waterfront District.

Marion Planning Board

Marion Planning Board has entered into a contract with Burk Ketchum and Associates of Cohasset, MA. to work with the Board in the preparation of a comprehensive land use plan for the town. The $25,000 appropriation for this work was voted at the 1987 annual town meeting.

Basic purpose of the study is to create a plan that, if followed, will insure that as we enter the 21st century in 11 years, Marion will still have the qualities it now has in spite of the inevitable growth that will occur between now and then.

Inherent in creating the plan will be the preparation of an inventory of what uses we now make for every plot of land. Next the plan will attempt to define the growth pressures that are to be expected. These will be modified as needed to fit into the overall goals we have for the town and then assimilated into the completed plan. All through this process Mr. Ketchum will be working with the several Boards and Commissions in town as well as the Planning Board. There will be ample opportunities in the form of Public meetings to insure that all other

voices are also heard.

The final phase of the contract will produce a list of changes that must be made in the Town By-laws and the Planning Board Regulations to insure that the town grows as the plan intends. Finally, this list will be converted into articles for a Special Town Meeting for townspeople to enact into law.

The Planning Board hopes that everyone in Marion whether on a board or commission or just an interested resident will participate in producing this plan. Hopefully, it will help keep Marion a good place to live for years to come.

Tobey Sibling Program

Area youngsters awaiting a new brother or sister can learn just what to expect at Sibling Classes sponsored by Tobey Hospital.

The next class will be on Saturday, July 16th, from 3 to 5 p.m. in the hospital library. The program is open to all children aged three and over.

Those participating will learn how to diaper, feed, and cuddle the new arrival, and will take tours of the maternity department including observing newborn in the nursery. The program also includes a brief slide presentation on how a baby is born.

The class is limited to 10 chil-
